# 1 INTRODUCTION

**HIMALAYAN INSTITUTE OF MANAGEMENT AND TECHNOLOGY** is a **KVQA NORSK** Akkreditering of Norway and **ISO 9001-2008** Certified Institution of higher studies. HIMT, a distance educator of management and technology is an institute having motive to groom students to understand, administer and manage the ever-changing global business dynamics. Our focus is on making sure that our student receives an education that is not just of high quality but relevant to today's industry and highly competitive global market place. Our programs combine highly researched curriculum integrated with industry relevant concepts and practices. HIMT offers a unique blend of theoretical and cutting edge inputs to students making them technically all round professionals. Our Faculty equips students with latest industry oriented techniques in technology for better grip in the job market.

**HIMT** was established in the **year 2001** to achieve the following objectives: The institute is being run under the aegis of Utter Himalaye Gramin Yuva Seva Samiti (A non-profit organization) registered with Government of Uttaranchal, Enhance the career of students in Business, Management and Technology. Democratizing industry oriented higher education by taking it to the doorsteps of the learners providing access to high quality education to all those who seek it. Online multi choice questions for better understanding of the subjects. Short term programs in various faculties which enable the student to acquire industry oriented and world class management and technical qualifications while working. Offering industry based programs with specializations by giving professional, technical and vocational orientation to the course. Promoting & developing distance and online system of education in India. Setting up and maintaining standards of education in the Country. Upgrading the standard of education as per the need of the Industry by adapting the new modes of interactive, innovative collaborative and user-friendly system of education.

**HIMT** paves a path to early success in life through its Distance and online courses. These courses consist of concepts, case studies and industrial training that provide broad exposure to relevant business concepts, technical skills and management specifics. This helps them to get started as **"Managers" /**

**“Team Leaders”** by enhancing their productivity, capability to formulate business policies and handling technical data, strategies and their implications for the organization. Those who are short of time and wish to upgrade their skills; knowledge for success can choose fast track online courses where they can keep themselves connected to the faculty and co-learners. They can opt for online examination to save their time and can re-attempt thrice if chosen wrong answers. It is an enthusiastic attempt by HIMT to expose the best of International Technologies and Management principles, practices and managerial / team leading functions to the student’s as well corporate entities. **COME LET US BUILD A PROSPEROUS NEW WORLD TOGETHER.** Team **Himalayan Institute of Management & Technology.**

## 2 DIRECTOR'S MESSAGE

**Himalayan Institute of Management & Technology** is an institution that aims at the complete development of the student and our staffs are hand-picked and trained to ensure that the students are given every possible support in all their endeavours, academic or otherwise. It is a multidisciplinary institution and this also ensures that the students have ready access to a wide range of academic material.

Sports and other co-curricular activities are encouraged and the students are given every form of support to develop their talents in all fields. Our brand of education does not have narrow horizons, we believe in exposure. Our students are encouraged to widen their knowledge base and study beyond the confines of the syllabus. This is evidenced by the extensive library facilities in the college, both physical and virtual. In this age of technology, knowledge is just a click away and we ensure that every student of the college has only the best of technology at his/her disposal.

The comfort and health of the student community, both mental and physical, are given utmost importance. A student of Himalayan Institute of Management & Technology College will lack nothing in terms of support from the management and staff. We aim to lend a gentle guiding hand so that our students recognize their inner potential and grow of their own accord into stalwarts of tomorrow's society.
